PRATT HIGH SCHOOL

FROG LOG

1961

Foreword

Time goes on, but our memories do linger reminding us of the many warm and wonderful times spent in these heavily trod halls. In these pages we have tried to capture just a few of these memories, so that we, as the years may pass, can relive some of our wonderful high school experiences.

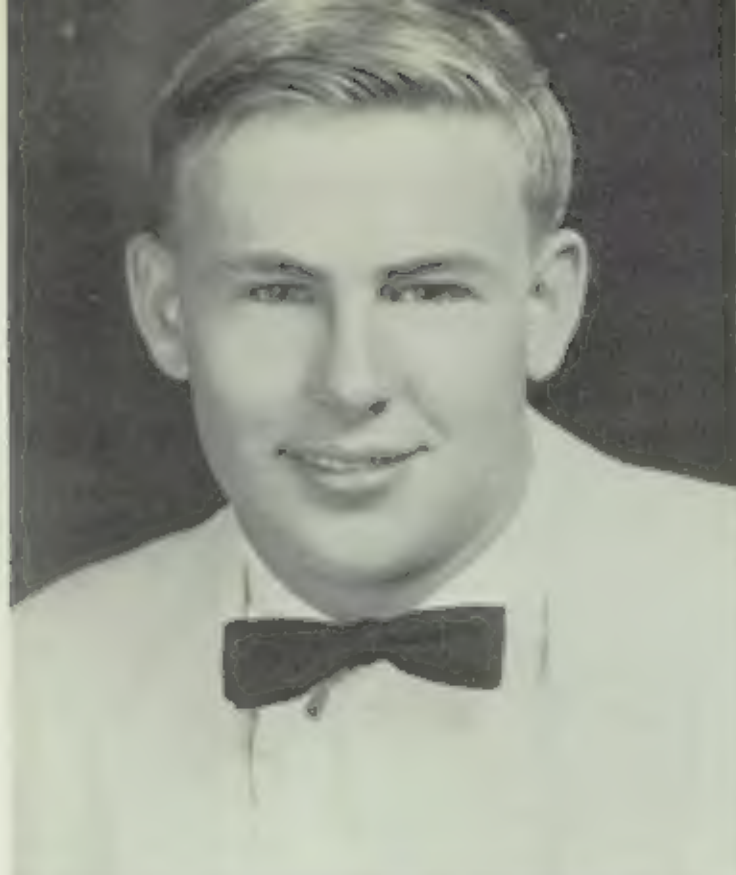

*We Dedicate The 1961 Frog Log To
Sharon Irene Jones*

a member of our class until our Junior year when she was lost to us because of an accident.

We were proud to have Sharon with us for a while and happy to be associated with her. Because of her charm, consideration, and pleasant attitude, she made a definite contribution to our class. She has and will continue to be in our thoughts and memories during our school experiences and throughout our lives.

Achievement Through Participation

One of the traditions of the Frog Log is the selection of twelve top students of the student body. There are eight seniors and four juniors selected for this honor. The qualities considered in selecting the students are academic achievement, leadership ability, and cooperation in all activities. These students were nominated by the faculty, and final selection is based on the total number of points acquired by the applicant by their school participation and activity. Nomination, grades, participation, etc., receive points according to a chart drawn up in the beginning.

Spirit Generated Through Bands

This formation is one of the many the band used during football season this year. The band presented skits to the football fans at all the games. A big vote of thanks goes to the band, its director, drum major and twirlers for that all-important position which it has fulfilled as a part of our many high school activities.

Band Performed We

For the Pratt High School Band, under the direction of Norman Radke, it has been a successful year. The band performed at the Kansas State Fair. The band then began preparation for the Christmas program, and the band began working toward their Spring Concert and the District Music Festival.

Jerry Stone, drum major, led the band in all its formations during halftime and in street marching. Jerry, a junior, has done a fine job, especially since this is his first year. He should be highly commended. Jerry was attended by the five twirlers. They displayed their skill at football games and marching. These girls spent many hours working for the skill they displayed at all of their appearances. They should be very proud of the very fine job they did.

and Deserves High Praise

Displayed Good Ability

The Greenbacks opened their 1960 football season with the Liberal Redskins and were defeated 0-12. Although this was a great disappointment, our team returned to trounce the Hays Indians, 20-0. Pratt then journeyed to Larned where they were handed a 18-21 loss.

On October 7, the Greenbacks thrilled the spectators with a 6-0 win over Russell.

Fine Spirit, Excellent Sportsmanship

Pratt traveled to Great Bend where a big team handed them a second conference defeat of 12-38, but the Greenbacks came back the next week to defeat Medicine Lodge 14-6.

We entered our Homecoming game sparked with enthusiasm and anticipation of beating our long time rival, Kingman. We slaughtered the Eagles 41-12.

*And Completed An
Enjoyable Year*

Coach Morrison termed our last game with Dodge City the best of the year. Although the score ended at 6-13, the Greenbacks played brilliantly on both offense and defense.

The 1960 season ended with a record of 4 wins and 5 losses. Considering the injuries and tough competition, we had a successful season. We are proud of our team, their high spirits, and their good sportsmanship.

This was Coach Bob Baird's first year with the Greenback team. The Frogs displayed a fighting spirit and good sportsmanship. They never became discouraged or quit hustling even after the disappointments of losing such close games as those with Hays, Great Bend, and Dodge City. Overtimes and sudden deaths made the basketball season exceptionally exciting.

Based on leadership and contribution to the team, honorary captains were elected at the conclusion of the season. The track captain was selected early and served in this capacity throughout the season.
